Coming Soon: New Cost-Sharing and MCL Plans in New York

We will be introducing new cost-sharing plans and Maximum Charge Limit (MCL) plans soon for fourth quarter quoting. These cost sharing plans will provide employer groups with lower premiums through higher variable costs (such as copayments, coinsurance and deductibles) for members. Maximum Charge Limit plans will mirror our top POS and HSA plans, with members paying a higher share of out-of-network costs, leading to lower premiums for employers.

You will receive a *Health Net Basics* providing more details on these plans when they become available.

For Brokers and Employers Only: Coverage is provided by subsidiaries of Health Net of the Northeast, Inc. and Health Net Life Insurance Co. Coverage may be provided by Health Net of New York, Inc. or Health Net Insurance of New York, Inc. in New York; Health Net of New Jersey, Inc. or Health Net Life Insurance Co. in New Jersey; and Health Net of Connecticut, Inc. or Health Net Life Insurance Co. in Connecticut.
